

REMARKS

Claims 21-42 remain pending in the present application. Claims 1-20 and 43-46 have been cancelled. Claims 21, 22, 33, 34 and 37-40 have been amended. Basis for the amendments can be found throughout the specification, claims and drawings as originally filed.

ALLOWABLE SUBJECT MATTER

This application is in condition for allowance except for the following formal matters:

Claims 21-42 are objected to because of the following informalities: the recitation of "it" in Claims 21-22 should read --heat transfer member--. Claims 21 and 22 have been amended to overcome the objection. In addition, Applicants have reviewed the claims and have amended the claims for issues of clarity. Withdrawal of the objection is respectfully requested.

CONCLUSION

It is believed that all of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicants therefore respectfully request that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office Action and the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
